PLANT DESCRIPTIONS

Annuals:

Exclusive Joy's House Planter – A terra cotta-color pot filled with a custom mix of white and yellow lantana, blitz yellow fusibbegonia and ivy. Does best in morning sun and filtered afternoon sun. A perfect Mother's Day gift!

Foliage Planter – A terra cotta-color pot with a mix of non-blooming foliage anchored by ornamental grass complemented with colorful foliage including coleus, vines and ivies. Best in partial shade.

Geranium Pots – Planter and pots of sun-loving cutting-grown zonal geraniums. Does best in sun to part shade.

Gerbera Daisies – Pots of gerbera daisies like full morning sun and filtered afternoon sun.

Vining Geranium Hanging Basket – Vining geraniums have smaller, looser flower umbels than traditional geraniums, but these too, like lots of sun.

New Guinea Impatiens Hanging Basket – This bold variety of spike, new guineas and vines can be counted on for constant color until nearly the first frost. Does best in indirect sun/part shade.

Sun Combo Hanging Basket – Gorgeous basket of sun-loving petunias, calibrachoa, and trailing verbena.

Blue Lobelia Hanging Basket – The beautiful color of these tiny blue flowers will impress you in its hanging basket. Enjoys partial sun.

Boston Fern Hanging Basket – This fern is perfect for hanging on a porch or sitting in an urn or planter. Does best in indirect sun/partial shade.

Double Impatiens Hanging Basket – This basket of double impatiens thrives in shade, but will also do well in partial sun, and will provide constant color all season long.

Calibrachoa Hanging Basket - A mix of deep yellow, deep blue, and hot pink, this gorgeous Calibrachoa basket requires full to partial sun and regular watering.

Sunpatiens Hanging Basket – These beautiful plants combine massive flower power with the ease of low-maintenance that can flourish in full or partial sun.

Annual Bedding Flats (each flat has 48 plants):

Begonia – The classic landscape plant. Tolerates sun or shade.

Impatiens – A shade-loving classic that brings vibrant color to the garden.

Madness Petunias – Your garden will be awash with color with these sun-loving petunias.

Vinca – Similar to impatiens, but sun-loving.

Perennials:

Clematis – A garden standby of climbing flowering vines that do best in full sun.

Peonies – Stunning with a sweet fragrance, these prefer partial sun.

Lavender – Beautiful fragrance from silvery/gray-green foliage. Produces blue or pink flowers. Prefers sun/partial shade; 18-24" tall.

Leucanthemum (Shasta Daisy) – Traditional white daisy flowers with yellow eye over substantial green foliage. Long blooming season. Prefers sun/partial shade; 12-36" tall.

Salvia (Meadow Sage) – May Night variety. Dark purple flowers bloom all summer. Grows to 18" tall. Prefers sun/partial shade.

Butterfly Bush – This perennial grows to a sizable bush with woody stems. Blooms attract swarms of butterflies. Prefers full sun.

Stella De Oro Daylilies – Bloom most profusely in full sun, however, it will tolerate light shade.

Echinacea (Purple Coneflower) – Long blooming purple coneflower daisies appear in mid-summer heat and endure through fall with coppery maroon centers. Prefers sun; 36" tall.

Vegetables:

Tomato Garden Container – Cherry, Grape and Yellow Pear tomato plants in a 10" clay pot. Best in full sun. Will need to either be transferred to a larger container (does not have to be separated) or planted in the ground 3 feet apart. If planted in the ground, plants should be separated.

Lettuce Bowl – Red and Green Leaf Lettuces in a 12" bowl that will produce all summer. Best in full sun.

Herb Bowl – Basil, Cilantro, Oregano and Parsley in a 12" bowl. Best in full sun.

Joy's House Mission:

We assist our Guests (clients) by sharing an embracing, safe and accepting environment while providing family caregivers peace of mind, education and ongoing understanding and encouragement.
